Kevin,
Loreen asked that I send the following information to you re: PMUSA Agreements with INBIFO/CRC:

- Current WSA Org Chart:

WSA-org120301.ppt

- Current WSA Coordinator List:

WSA RevCoordinators.doc

- WSA 2002 Plan - Meeting Summary Output:

WSA_Meeting_Summary_10-23.doc

Regarding the planning meeting output document - I am in the process of finalizing a plan document that maps the output above to the individuals who are executing the work and the project's final prioritization. I hope to have that in a format that I can share with you in about a week.

Please let me know if you need any additional information.

Thanks,
Valerie
